The Special Need Children Center Foundation (SNCCF) is a 501 (c) (3) non-profit organization established to ultimately provide a facility where children and young adults with special needs can go. This center will be a place where disabled children can enjoy the pure bliss of childhood, where they can forget their disabilities and focus on being children. This center will exercise a knowledgeable approach to unique challenges special needs individuals and their families face, provide a safe environment for them to socialize, and help prepare them for a productive adult life.
